## From the Pastor's Desk...

The "green vestment" Sundays of Ordinary Time are having difficulty being celebrated this summer! Today, the feast of two of the most important Saints of the Church are being celebrated - St. Peter and St. Paul. It is unusual for the feast of any Saint to be observed on Sunday, since after the reforms of Vatican II, the Sunday observance of the Resurrection usually takes precedence. (The last time this feast was celebrated on Sunday was in 2008.)

The rule for liturgical observance is easy to understand. A Solemnity (which today's feast represents) may suppress or displace the Sundays of Ordinary Time - the time between the end of the Easter Season and the beginning of Advent. This explains why the Assumption of Mary (August 15) or All Saints Day (November 1), when they fall on Sunday, may eclipse the Sunday of Ordinary Time. It is beneficial to celebrate an important Saint on Sunday. The entire community can be instructed concerning the importance of their lives, their deaths and their witness to the Gospel.

The Saints have been so recognized for the holiness of their lives. It is too easily forgotten that they were human, like you and I, and were humanly flawed. They were sinners. I mention this because we tend to forget that while God calls the human person to holiness, the saints had to overcome the dark moments of their lives. The path that both Peter and Paul trod through life to martyrdom and sainthood is described by their own heroism for the Gospel and the "pot holes" of their own personal struggles.

The lives and ministry of Sts. Peter and Paul illustrate how God works. God chooses human agents, with their strengths and weaknesses, to accomplish the work of Salvation. God did not permit Peter's denial of Jesus or Paul's fervent initial opposition to the Christian faith to stand in the way. Our own humanity and sinfulness oftentimes hinder our own effective witness to Christ and his Gospel. The Saints offer us their example and can intercede before God that this powerful grace becomes part of our lives as well.

Have a Happy 4th of July!  
Fr. Bill Arnold

**Peter's Pence Collection** - This weekend is the Peter's Pence collection. This collection provides the Holy Father with the funds he needs to carry out his charitable works around the world. The proceeds benefit the most disadvantaged: victims of war, oppression, and disasters. Join our Holy Father as a witness of charity to those who are suffering. Envelopes are in your packets. Please be as generous as possible.

**Mass on the Fourth of July** will be celebrated at 8:15 a.m. This will enable Massgoers to vacate the parking lot before the Fourth of July parade proceeds down Yearling Road. There are many intentions to pray for as the nation celebrates its 238th Anniversary: Peace in the Middle East, religious freedom for the Church at home and abroad, increased cooperation between the political parties to solve our common problems at home. Mass will be celebrated in the Day Chapel on Friday, July 4th.

**Summer is here! Don't forget your Parish Contributions over the summer. We still have bills to pay. Help keep our Parish flourishing!**

**This is the last week to make a pledge.** Please remember, anything that goes over goal, comes directly back to Holy Spirit. Any monies we would receive would greatly help in the purchase of our much needed new heating systems for the church and the school. **Whatever we get back over goal, we would not pay Diocesan tax on these funds, as we would in a fund-raiser for the boilers. If you have already made a pledge, please consider an additional contribution that would be returned directly to us for the boilers untaxed.** If you have not made a pledge, please consider this now. Remember, it is your church in which you like to be cool in the summer and warm in the winter. The children of the school need to be warm in the winter. These children are our future! Any amount helps no matter how great or how small. After week six, we have met our goal, but we only have 23% participation. Please help us meet at least 50% participation!!

### A Note from All Saints Academy:

Summer has arrived and we want to thank the parish for their continued support. We spent the year raising money for our window replacement project and can announce at this time that we have raised just under \$50,000.00. Thank you to those who came to our Fish Fry event and Food Truck Festival. Both were well attended and not only raised some money for our window project, but were great community events as well. We are looking to begin phases of replacement and ask your continued support with prayers and donations as we continue to upgrade the school building, making it more energy efficient and environmentally sound for educating our young people.

We are also happy to announce one our 7th graders won the art contest for the Bishop's Golf Classic. All elementary schools in Franklin County were asked to submit an entry for the contest. Congratulations to Shirleen Otieno whose artwork was chosen by Bishop Campbell. She won a \$100.00 prize and the school won a \$500.00 prize. The Golf Classic is August 3rd at the Medallion Club in Westerville. Congratulations, Shirleen for your amazing work.

## **Our Shared Parish Events and Information**

**Fortnight for Freedom** – From June 21-July 4, Catholics in the United States are urged to offer prayers during the two week “Fortnight for Freedom.” Prayers are needed to protect the rights of the Church, and of all religions everywhere, to practice the Faith according to the dictates of conscience, Church teaching, and the law. June 21 was the feast of St. Thomas More and St. John Fisher, both of whom lost their lives in a confrontation over religious liberty with King Henry VIII at the beginning of the Protestant Reformation in England in 1534.

We pray that the Church may determine the extent of healthcare coverage it must purchase for employees (especially nonpayment for abortion/contraceptives coverage); that the Church will be able to teach/practice marriage as between one man/one woman; that the Church will be able to provide humanitarian/social services to immigrants consistent with the command of Jesus to protect and serve the least of our brothers and sisters.

**Please Note: Friday, July 4th, 2014** the Parish Offices of Holy Spirit and St. Philip will be closed to allow our employees to enjoy the national holiday. The offices will reopen on Monday at their respective opening times.
