## From the Pastor's Desk...

Today's Gospel contains a story of two women – one, a young teenager who has an important father pleading her cause, and another – an older woman, worn by years, and persistent illness – who has no advocate, no one running interference for her.

Both these women are stories of faith. Jesus has to brush aside the drama and wailing of onlookers to heal the daughter of Jairus. Notice his young daughter has her father to plead her case. But the older woman, beset by constant hemorrhaging and doctor malpractice has no one. She anonymously slips up behind Jesus, believing that closeness to Jesus and contact with His garment will heal her. Her faith, in the end, is rewarded.

What are we to make of this older woman, who stealthily makes her way through the crowd to touch Jesus? The Gospel tells us that she had heard of Jesus, but because of her constant bleeding, she was impure – in other words, no admission to the temple or synagogue, and certainly unclean to touch a rabbi or Jewish holy man. She had to overcome this prohibition of Jewish law to encounter Jesus. He rewards her by calling her “daughter,” a title Jesus grants to no other throughout the Gospels.

This older woman – unaided, anonymous, a “stealth cure,” if you will – is a shining example of faith and belief. She had only heard of Jesus, yet she seeks out an encounter with Him. This is what God wants more than anything else from us – our desire and action to seek an “encounter” with Him. Jesus, by calling her daughter, became for her what she did not have – a source of help, security and healing.

Have a Good Week!

Fr. Bill Arnold

Good news, Holy Spirit Parishioners! We stand currently at 138% pledged of our 2021 BAA Campaign goal of \$52,399.17! We are doing very well indeed. Thank you to all who have so promptly returned your pledge.

Currently, only 18% of our parishioners have made a donation to this date. Remember, the amount pledged over goal comes back to us. These funds will be used to help pave our main parking lot.

I would ask each of you to consider prayerfully what you might be able to afford from your budget to help support the Church in our Diocese. No pledge, no amount, is too small. Every single pledge is gratefully received and will help tremendously. Thank you!

Congratulations and thank you to the parishioners of St. Philip the Apostle Parish. Very few parishes can say that they had 58% participation of its membership in the Bishop's Annual Appeal. This is truly an expression of support, not only for our Diocese and our Bishop, but also for the parish.

As your pastor, I am gratified by your response. I realize that it is not easy to make a pledge or a one-time gift for many of you. But your generosity is a sign of your commitment to the future well-being and growth for your Church. Thank you, so very much.

# Disciple Maker Index Results

.....

Thank you to the more than 21,000 Catholics from all parts of the Diocese of Columbus who completed the Disciple Maker Index (DMI) Survey during Lent. The results are in, and the Diocese wanted to share some of the highlights.

The DMI is a 75-question survey designed to provide an opportunity for parishioners to reflect on their individual spiritual growth and overall parish effectiveness. Almost 300,000 Catholics at more than 1,500 parishes throughout 40 dioceses have taken the DMI since 2013, providing not just valuable data for each parish, but for the Church nationally, as well. Now the Diocese of Columbus can be counted among these national benchmark dioceses.

Total Surveys:  
**21,462**

■ Survey Participants  
■ Non-Participants

Over a five-year period, the Diocese of Columbus has averaged 72,000 Catholics attending Mass on a weekend. **Almost 30% of the individuals** completed the Disciple Maker Index this Lent. This is above the national average for other dioceses who have taken the DMI nationwide.

## Reviewing the Results

### Phase I (May - June)

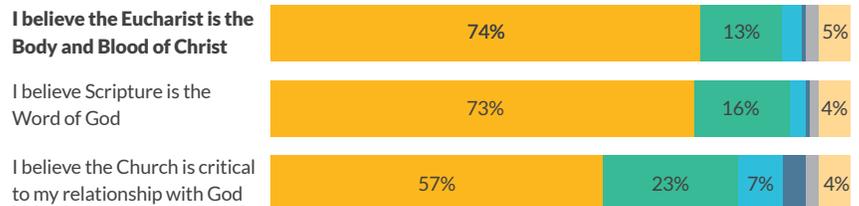

The DMI parish-specific results were sent to each parish to be reviewed by the pastor and his RPRF parish representatives, all of whom attended an information webinar in May to learn how to read and interpret the DMI data for their parish. They met to review the outcomes together and to draw meaningful conclusions from the data. The information generated from the DMI survey is quite extensive and required time, patience, and focus to understand it in its proper context. Thank you to pastors and RPRF representatives for your generosity in serving your parish in this way. Diocesan-wide results that reflect the collective responses from the more than 21,000 respondents are included here.

### Phase II (late June - July)

Parishes will share their parish-specific results of the DMI with parishioners, along with information about the context of the survey and some initial conclusions reached by the pastor and his RPRF representatives.

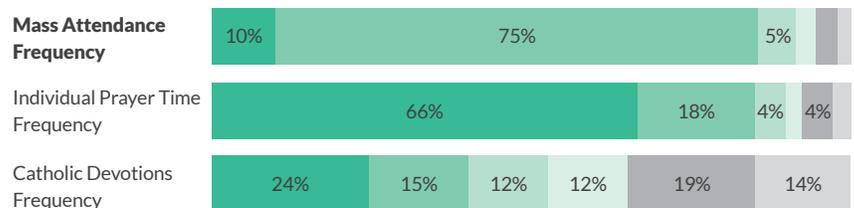

## Strengths

► Among the belief questions, survey respondents indicated the strongest belief in the following areas:

**Legend**  
■ Strongly Agree    ■ Agree    ■ Neither Agree/Disagree    ■ Disagree    ■ Strongly Disagree    ■ I Do Not Know

► With respect to faith practices, survey respondents indicated they most frequently engaged in the following activities:

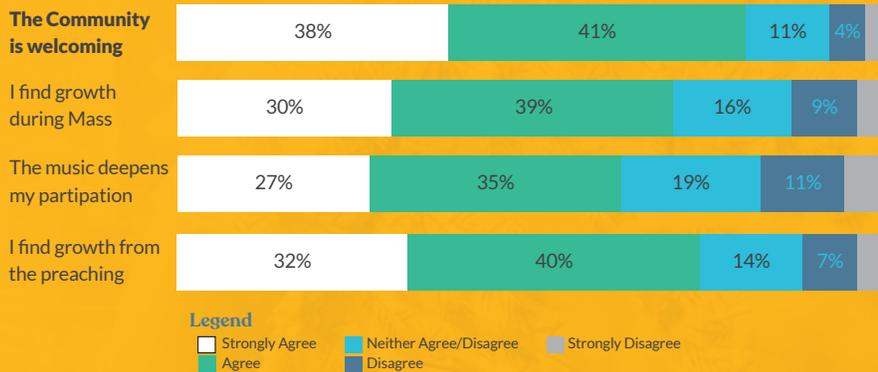

**Legend**  
■ Daily    ■ Weekly    ■ Monthly    ■ Quarterly    ■ 1-2x per year    ■ Never

# The Sunday Experience

While the pandemic has forced us to do things a little differently over the past year, parishioner perceptions on the Sunday experience in their parish remain relatively in alignment with parishioner perceptions from around the country pre-pandemic. Welcome and hospitality as well as music that helps deepen participation will be especially important as restrictions are removed and worship resumes some normalcy.

## How I personally view the Sunday Mass

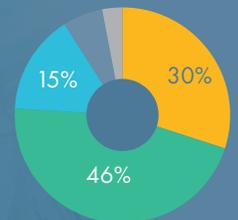

# Fostering Spiritual Growth

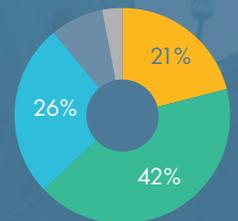

One of the main goals of *Real Presence, Real Future* is to help Catholics grow in their prayer life and their relationship with the Lord. Several different evangelization subcommittees have been working for the past year to develop strategies and resources to assist clergy and lay leaders with helping their people grow. As the Disciple Maker Index results from across the diocese show, the Church in Columbus is starting on a strong foundation.

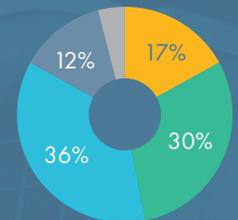

The Parish helps me grow spiritually

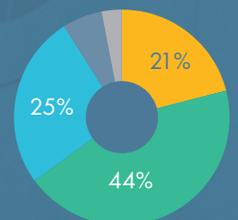

The Parish helps me grow my prayer life

The Parish helps me grow through small groups

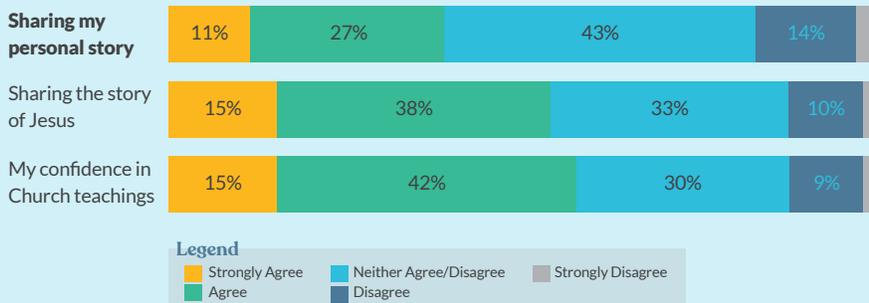

The Parish helps me grow through formation as a disciple

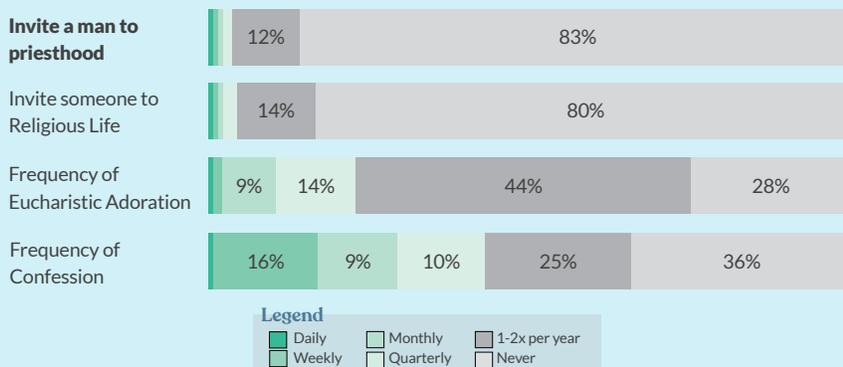

# Opportunities

## With respect to the areas in which survey respondents felt they needed the most support from their parishes, the most significant were:

## With respect to the faith practices that survey respondents indicated they were doing the least, the most significant were:

# What's Next?

## Opportunities for Growth

As disciples, we have both the responsibility to come and to go. Not unlike the rest of the country, some of the biggest areas of growth for the Diocese of Columbus are based in our confidence in sharing the good news and inviting others whom we love into a deeper relationship with the Lord.

Especially as the *Real Presence, Real Future* initiative examines how best to serve our diverse diocese with fewer priests, our need to invite young men to consider the priesthood grows every year. Recently, many more women and men religious have accepted the invitation to serve our diocese. Through their presence, it is hoped that many more young women and men will be invited to consider religious life. As important as our priests, deacons, and religious are, the work of evangelization is not on their shoulders alone.

Similar to the rest of the country, the faithful in Columbus are looking to grow in confidence in sharing the richness of what the Church has to offer as well as our own personal stories of faith. The strategies and resources being researched and implemented as part of *Real Presence, Real Future* will seek to support parishes to equip their people for this important work.

## 5 Questions You Might Have

### 1. How will this, or can this, information be used by the parish or the diocese?

With any journey, you have to know your destination as well as where you are starting from in order to get there. While our journey as disciples and a Church is lifelong, the *Real Presence, Real Future* initiative wants to assist the entire Diocese of Columbus to take the next giant step toward our Lord. The Disciple Maker Index provides one snapshot of a large portion of our worshipping population. You are essential to the work of evangelization, in order to reach those who have not been practicing their faith. At a diocesan level, this information will help guide some of the research and resourcing that Bishop Brennan hopes to offer parishes and parish leaders in the future. At the parish level, it is the hope that by growing in understanding of where we are starting from, each community can help provide input and direction as to where we need to go. It is also a hope that several years from now, we can retake this index for another snapshot and see the progress we make together.

### 2. Who didn't we hear from?

The Disciple Maker Index intentionally focuses on those "in the pews." It gives a parish a sense of where their worshipping parishioners are in order to be able to discern strategies to build up this core group of Catholics and send them out on mission.

Of the 17,909 individuals who indicated their age, almost 10% indicated that they were age 35 or younger. While this is two points higher than Catholic Leadership Institute's national database of over 300,000, reaching out to our young adults will be an essential area of growth for all parishes in the next decade.

Of the 17,856 individuals who indicated their ethnicity, 11% were non-Caucasian with half of those individuals (5%) indicating a Latino/Hispanic. According to projected Census information, about 3% of the total population in the counties that comprise the Diocese of Columbus are Latino. However,

we know this is a growing segment of the Catholic population in Central Ohio.

### 3. What effect does COVID-19 have on these perceptions?

Catholic Leadership Institute has been administering the Disciple Maker Index since 2014. Interestingly, parishioner perceptions in the aggregate were not dramatically different pre-pandemic and during the pandemic. Further qualitative research shows that parishioners have been extremely grateful for the efforts their parishes have made during these difficult times in many cases boosting positive feedback if anything. Of course, time and the fruit of our current and future outreach efforts will tell us what the long-term effects might be from the pandemic.

### 4. What if my parish's results are better or worse than these diocesan averages?

This feedback is one lens through which we can grow in understanding of where we are as a Catholic community. There are many lenses through which to look. As was previously mentioned, the Disciple Maker Index gave us a snapshot of our starting place in 2021. While the diocesan results are a helpful benchmark, the most important thing is where we go next in service to God's people.

### 5. Where do we go from here?

The conversation continues. Key parish leaders from every parish have been reviewing this information and have been asked to share parish-specific thoughts over the summer. This Fall, there will be extensive consultation with all parishioners around strategies and models for the future based on this feedback as well as sacramental, financial, and socio-economic trends throughout the diocese. Be sure to stay connected by signing up for more information at [www.RealPresenceRealFuture.org](http://www.RealPresenceRealFuture.org) and through your local parish.

## Heartfelt Gratitude and Thanks!

A heartfelt “thank you” is extended to everyone who contributed to our collection for Birthright. Again this year, the response has been great! The Holy Spirit has certainly inspired each and every one of you who donated to support a truly pro-life organization – Birthright of Columbus.

The staff of Birthright meets and gets to know the women who come to them in need. They don’t just “pass stuff out.” The Birthright volunteers truly minister to the needs of these women, who have chosen to give their children life.

The package of diapers or baby wipes does not change the world, or solve the problem of “unwanted children.” However, these donations are a small help, a “baby step” if you will, in the lives of these young mothers. You share in this ministry by your donation of items. Birthright is always excited to experience how supportive you are of their work. On their behalf, I thank you from the bottom of my heart. I am sure that we will receive thanks from Birthright as well, as we do every year. Thank you for helping to make this difference in our community! God will reward your generosity!

Fr. Bill Arnold

## **Congratulations, Fr. Mike Nimocks!**

On June 29, 2021, Fr. Mike Nimocks, who has so generously become the “other priest” here at Holy Spirit and St. Philip, will celebrate his 25th Anniversary as a Priest of the Diocese of Columbus. Fr. Mike at first was a permanent Deacon, ordained in 1977 for Mt. Carmel Buckeye Lake Parish by Bishop Edward J. Herrmann. During his deacon years, Fr. Mike was employed by Huntington Bank, and was the Chief of the Buckeye Lake Volunteer Fire Department, which later led to a position in the State Fire Marshall’s Office here in Ohio.

In 1992, he sought admission to the Priesthood by attending Pope St. John XXIII Seminary in Weston, MA. He was ordained to the Priesthood by Bishop James A. Griffin on June 29, 1996. Currently retired after pastorates at Holy Trinity in Zoar and St. Mary’s in Marion, he resides at the Villas at St. Therese. Thank you, Fr. Mike, for all you do for the parishioners of St. Philip the Apostle and Holy Spirit Parishes.

Ad multos annos!

## **In Memory of Patricia A. Morris, 1948-2021**

We have celebrated the birth to eternal life for many parishioners (and former parishioners) in the last year, and in the last month especially. One homecoming to God affects us in a particular way here at Holy Spirit – the unexpected death of our bookkeeper and

business manager, Pat Morris.

I have worked with Pat since 1996. She will be missed by her family, close friends, and parish staff. But more than that – Pat had a special gift on the phone of giving dignity and aid to the many people who called the parish office over the last eleven years, who sought out help or some measure of financial assistance.

Pat was a good “front woman” for the parish and Church, so to speak – especially with women who were alone or raising kids alone. She identified with these folks, and always offered a listening ear and gave good personal advice and financial direction to those in need. She will be missed. May God bid her take a place of rest and peace in His presence.

Fr. Bill Arnold

## Missionary Co-op Collection:

Last weekend, at all four Masses, we took up a collection for Fr. Claudius and the Archdiocese of Mwanza in Tanzania. **The total from both parishes was \$1,900.00 even.** If you still would like to make a contribution to aid the Church in Africa, please do so by labeling an envelope with “Mission Appeal” or placing that designation on the memo line of your check. Thank you!

## Arise and Eat!

In today’s Gospel, Jesus takes a young girl’s hand, instructs her to “arise,” and then tells her parents to give her something to eat. He saves her from death and ensures that she is fed, and He does the same for us today. Jesus saves us from sin and death, invites us into a relationship with Him, and nourishes us with His Real Presence in the Eucharist! Alleluia! May we respond in faith to this invitation, take hold of His outstretched hand, and journey with our Lord into the future with faith, hope, love, and courage.

## Peter’s Pence Collection

This weekend is the Peter’s Pence collection. This collection provides Pope Francis with the funds he needs to carry out his charitable works around the world. The proceeds benefit our brothers and sisters in the margins of society, including victims of war, oppression, and disasters. Join our Holy Father as a witness of charity to those who are suffering. Envelopes are in your packets. Please be as generous as possible.

## Save the Date!

This diocesan-wide event will take place on Friday evening, August 27th, and Saturday morning, August 28th. As part of the Real Presence, Real Future renewal process, it seeks to provide an opportunity of encounter with our Lord, engage

Catholics as they reflect upon the real presence of Jesus Christ in their lives, and encourage them to share that presence within their circles of influence.

## Tutors Needed:

Did you know that Saint Vincent Pallottiano is the patron saint of tutors and those whom they teach? You can be a saint in our community by becoming a tutor at the Dominican Learning Center (DLC), a ministry of the Dominican Sisters of Peace. The DLC is seeking tutors for English as a Second Language (ESL) and GED prep programs. As a tutor, you will be assigned a learner and meet at least once a week for a two-hour session. You can work with your learner online, at a library near you, or at the DLC on Stewart Avenue. The DLC will supply all the training and materials. For more information, call Denise Hilliard, Director of the Dominican Learning Center, at 614-444-7330, ext. 8, or email her at [Denise.Hilliard@oppeace.org](mailto:Denise.Hilliard@oppeace.org).

## THE CATHOLIC FOUNDATION

*“...as a matter of equality your abundance at the present time should supply their want, so that their abundance may supply your want, that there may be equality.”*

– 2 Corinthians 8:14

One of the tenets of living a grateful and generous lifestyle is giving without expecting anything in return. It is important that we not only grow, nurture and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the “Body of Christ.” We are called to be dependent on each other and not live in isolation. Learn about all the ways you can support your parish and contact The Catholic Foundation.
